POLITICAL EYES ARE ON VIRGINIA

Washington Wonders What State Will Do in Baltimore Convention.

(Special to The Times-Dispatch.) Washington, March 10.—The Virkinia delegation in Congress and Virinians who come to Washington from lay to day are deeply interested in question of whether the State will

send instructed delegates to Baltimore, The Baltimere convention promises, In the opinion of old-timers, to be the most interesting since that of 1876, when Tilden and Hendricks were

Louis, and it should be rememthe war that the Democrats were beor the first time ;

the first time since the big spint of the control of years are nominated control of the control

care enough big men who will and dates before that convention, and to high the Democrats have ever held can enough big men who will and dates before that convention, and to high the series of centennial service by the Sunday school and to high the series of centennial service of the sail of whom have a big following, series of centennial exercises.
